because the bag is pretty but of your thoughtfullness. It is all those thoughts that help make life beautiful

I'm sorry the bag did not get there on time because I mailed it on Thurs. that gave 3 days. And it only takes twelve hours to get to montreal at the most.

I do hope you will pass all your exams with good marks. And if you honestly try I'm sure you will. Wishing loads of luck. And be a very good girl. Cause every one likes a good girl and I want every one to like my daughter Kate soon.

Love
mother
