Wacs to Get Try-Outs In Development Games

An even dozen events are listed for the first practice handicap track and field meet to be held by the Warinanco Athletic Club at Warinanco Park tomorrow afternoon. The meet, the first of a series of three "development" workouts, marks the opening of the club's long spring campaign that extends till the National A. A. U. championships in July.

Among the outstanding events of the meet is the six-mile walk through the roads of the park, which will find a large entry of New Jersey walkers from other clubs. The Warinanco team of Leo Schnepel, Domino Jalbert, Charles Schnell, William McGuire, and Carl Krowicki will be in the race.

Reddington Entered.

"Doc" Reddington, newly crowned N. J. A. A. U. 60-meter champion, together with "Solly" Manetta, Union County titleholder at 100 yards; Danny Maul, N. J. A. A. U. 300-yard champion; Tom Finn, of Seton Hall College, and Jim Gildea, of St. Michael's C. C., of Jersey City, are the outstanding entries in the 100-yard and 220-yard dashes.

Ed Burke, N. J. A. A. U. 1,000-meter champion; Bill Rhem, former Indiana University cross country star; Emil Kuszma, Henry Satterthwaite, Al Legg, Mal Spitzen and Danny Maul are in the 440-yard run. Burke, Rhem and Kuszma will repeat in the half-mile, with Bob Hanlon, Murray Hickey, Steve Stetson, Stanley Sniezek, Joe Ewing, Irving Weinberg and Ruddy Ludt as the remaining entries.

Hanlon Mile Favorite.

Hanlon is the clear favorite in the mile run. Other entries in this race are Frank Masterson, State indoor mile champion; Joe Ewing, State steeplechase champion; Dave Gordon, Lehigh University miler; Jim Monroe, former New York University harrier, Russ Hargraves, Joe Gigle, Stanley Poniatowski and Dan Reidy. Steve Wyman and Steve Poniatowski are two of the entries in the two hurdle events.

In the field events the entry list is thinner. It finds, however, Saul Buc, Rutgers athlete, and Bob Carlson, of Roselle High, in the high jump, Steve Poniatowski in the broad jump, Johnny Hinks and Walter Lynch in the pole vault, and Harry Kantrowitz and Harry Struckman in the shot put.

Wallace Higgins, president of the Warinanco A. C., wishes to stress the fact that the development meets are not only for club members but for all who have any inclination toward track and field athletics, whether or not they have ever competed. Those wishing to compete in any of the events on Sunday's program are asked to be at the stadium track at 2 o'clock. The meet starts at 2.15.

SCHNEPEL IS SEVEN-MILE WALK WINNER.

A crowd of 1,000 saw veterans and novices vie with each other in the first practice handicap track and field meet of the Warinanco Athletic Club's spring season at Warinanco Park yesterday afternoon. A disturbing wind that blew down the backstretch made the times slow.

Danny Maul, State 300 yard champion, scored three times during the afternoon, winning the 100-yard dash, the 220-yard leg of the medley relay, and anchoring the victorius Warinanco quarter-mile team. Maul won the 100-yard final in 0:10.6, leading "Solly" Manetta to the tape by three yards. In the seven mile walk, Leo Schnepel put on a long half mile spurt to outdistance Domino Jalbert and Bill McGuire, his teammates, in 1 hour 8 minutes.

Dan Reidy, with a 50 yard handicap, won the mile run, defeating Joe Ewing, scratch entry, by 20 yards in 4:49. Ewing nearly caught Reidy with a half a lap to go but lacked the finishing sprint. Jack Mulshine, with 140 yards, ran from the front till the last lap where he faltered to finish third. A Warinanco quarter mile relay team of Manetta, Kuszma, F. Masterson, and Maul scored easily over a team representing the Elizabeth T. A. B. S., completing the distance in 0:47.4.

Jarrett, colored jumper from Jefferson High school, took the high jump in 5 feet, 9 inches, nosing out Saul Buc. Two picked teams ran a distance medley relay race, the "Patsy Elephants" with Kuszma, Maul, F. Masterson, and Ewing, besting "Buc's Buckets" by 80 yards, in the rather slow time of 8:44.
