written concept of
Kite flying, that
no one should cut
mother's line,
an act of most
dangerous,
which
power
violate a sacred
not behave, an
cut if he would
ordered his
security director had
steering of all the
unaddressed most
actual dangers went
supposed dangers as
bush boys as a
harassed by festival
dare challenges him. He was repeatedly
air space, but what FAA functional world
convinced that tyranny rules the land.

Kelly Braland
ton.kyskped@s@knapwds

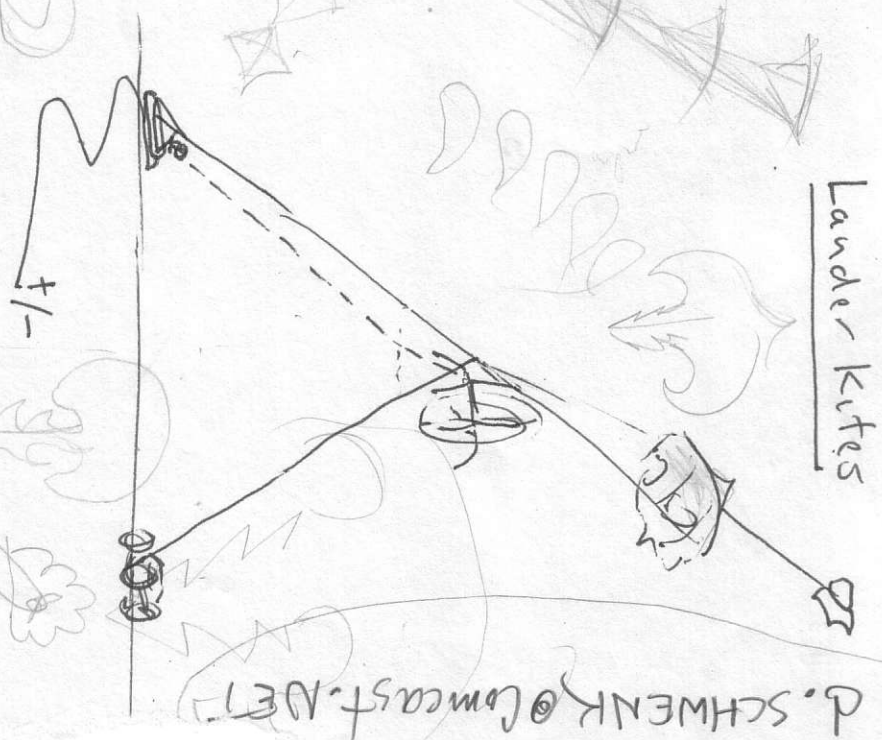

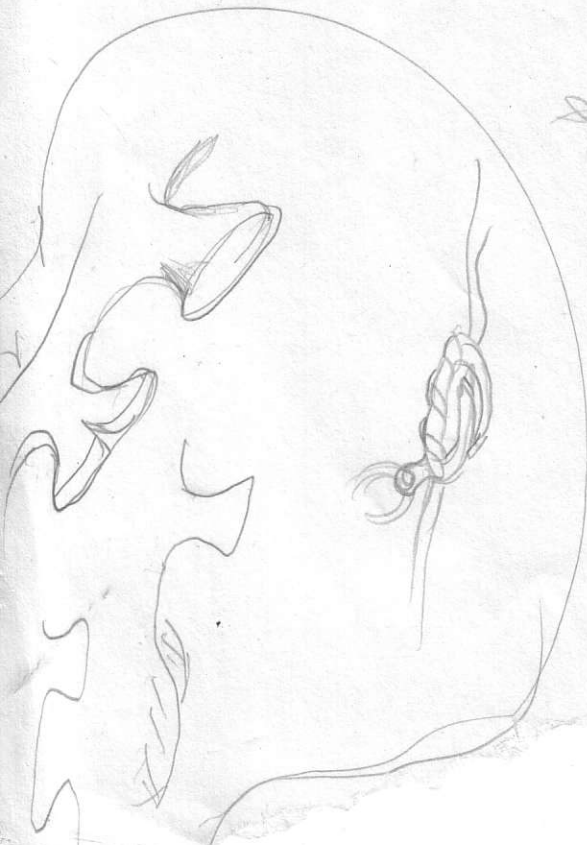

Patton, a natural anarchist/flying his
iconoclastic tower far into "controlled"

Ray revealed a ~~deep~~ ^{heartfelt} radicalism, a ~~band~~ ^{band} with the world's poor. ^{For whom the kite is golden,} ^{little use for} comfortable middle class, he was a ~~fire~~ ^{fire} creature of the outdoors.

Ray flew the festival little noticed, the flashing team of Kov. ^{Then no one stopped to watch this} ^{by the thousand, crowding Ray with love} ^{Flies distracting spectators & I could see the joyous Columbians} ^{by the thousand, crowding Ray with love} ^{Down on the beach, at a major kite field, soon thousands would} ^{through the sand & kites would ~~fill~~ the air. Stealth camping} ^{the fast meant the sea was my bath, the chilly Pacific} ^{~~somehow made one feel great, splashing out of~~} ^{~~the tub there was a lone flier begin to set up a~~} ^{~~who, of the hundreds of fliers, should be first but the~~} ^{~~greatest of them all, Ray Bethel, the old man of~~} ^{~~freestyle who flies ~~three~~ ^{multiple} kites in ^{stunts} ⁱⁿ ^{Ball} ^{aware}~~} ^{Ray is deaf, so, for once, my flapping tongue slept, as} ^{I watched his ritual preparations, the stretching &} ^{sort of line, the assembly of the kites, a hundred} ^{small details done thousands of times. Ray somehow} ^{read my mind & began to soliloquize in Austral} ^{ian sing song about his life as a Flier. "It's a tough} ^{job," he said, "But good!" I asked & he grinned a wide as} ^{the sea behind him. He spoke of ^{kite} festivals of the poor,} ^{marveling at Bogata's in particular, one million people} ^{out for a good time everyone, it seemed, from the} ^{smallest child, flying little kites. He lamented the decline} ^{of the western festivals, where the numbers ~~were~~ ^{were} declining,} ^{& the youths outnumbered by the seniors.}
