## Kitship Benefits

### from KitLab

- Prestige academic technical non-profit, etc
- Publicity (bmine)
- Data (Saul's advice) - plus video
- Source Code?
- trained hiring pool
- Specification of research needed by KS
- Leveraging R+D stimulating academia to work on key problems
- Equity stake in new kitotech corp. startup?
- Honor license on open source content

### KitoLab

#### Kitobots

Bay Area?

Austin?

Seattle?

Portland

microbotics Lab  
 cheap/compact  
 activate excellence  
 'robodex' existing net  
 tap into Austin "Silicon Hills" VC to invest in KS

Smithsonian → class  
 - disposition  
 close

KS funding? ~5k  
 set-up - kitobots etc.

- Milestone based
- Phased
- Challenge match
- Loan option
- not imperative but strategic

perception  
 - advantage to KS in showing geographic spread to target 'staff' functions growing

Vacuum CAD derived single skin wings for wind tunnel
