My Dear Dorothy -

How are you this fine day - It is grand but you know Dad with his eye for the weather says, "it will cloud up," and he is most always right, bless him.

Received your very nice letter Sus. and find you are really improving in your hand writing. So I had better be very careful or you will put me to shame. Something else made us very happy and that is your being 5th in your class.

Now I suppose we owe you a dollar and you will find it enclosed with this letter.
