Dear Dorothy:-

I hope you receive your clothes early. I sent them out Sat. A pair of white playshoes, white socks, the skirt you asked for and your yellow blouse.

If they do not fit right ask one of the Muns to help you with them. And they can send the charge to us.

It is difficult to buy any thing for you because they may not fit. So it is far wiser to wait till you are home. Then we can get what ever you need.
