Dear Dorothy:-

I am returning with this letter a money order for you to give to Mother Superior.

Saturday your mother received your letter with its content. Now I guess that I was more than glad, because for once you made your mother very happy. You see with a little effort how easy it is for you to make us happy.

Now my chicas here have me plan for you to spend your vacation.

- 1- You're gonna stay home
- 2- Your mother will stay home too.
She will not work at the store during your vacation
- 3- She will go on many picnics together
- 4- She will go after bathing together
- 5- Your bicycle will be in good condition
- 6- You may sleep as long as you wish
