

Thursday, evening

Dear Mrs. Jarber,

Peace & all good to you.

A very warm & heartfelt "thank you" for all your arts & skills, so gracefully exhibited, once again, in our behalf.

The Sisters were so delighted with the tremendous success of the Card Party. They are so encouraged by your efforts, because it is a way of knowing their spending is necessary & useful, in today's Church & world.

God bless you.

In the Love,  
Mother M. Emmel
