

I will write to Yvonne as soon as possible. She wrote to me this week but of course I haven't as much time as before because we go to church every night.

Dad do you know why I addressed my letters at the Post Office? Well I wanted to play a trick on you. O.K.

We had our picture taken I will send it as soon as I can. but I have to send you a package first, but I won't tell you what it is.

Well Dear Parents I'm very sorry for having kept you waiting so long. Please forgive me? I close the letter with best of Luck.

Your loving daughter,  
Dorothy.

P.S. Will you kindly send me some money please.
