us for plenty between Dad
and I it cost us \$100 ⁰⁰ be-
side 20% out of our pay every
week. Some fun.

It is my afternoon off
to-day and I will go home
and do the washing. When
my Aunt broke up house-
keeping to go live in Calif.
we bought her washing mach-
ine. So now I am able to
do my own washing. And
I like it very much.

Yvonne was over last
Sat and she told us that
the week before she got a
letter from you. And thought
that you certainly had im-
proved your handwriting. She
was surprised.
