

dot if your teacher is pleased with you then we are also. So to make us happy just please your teachers.

How are you doing with your figure skates, can you write your name on the ice and make a lot of fancy tricks I suppose that this year you have specialize in fancy spills - have fun and lots of it!

Out here we have lovely weather no snow at all. No skating either - no fun either no racking for little girls to play in winter.

Now I'm going to tell you about my "auri" Kytoon - dot things are coming along fine. Dad & Billie worked on it every night last week. I was in Boston Friday and the moment that the Kytoon flies successfully thru my darling daughter - your dad will be assured of a nice business
