

When in Montreal Billie & I will stay at
the Mt Royal Hotel - we intend to take
you out with us and we all will
have a good time and believe me Dad that
you will like it and will be happy.

I suppose that Billie wrote and told
you how she will be dressed - See Dad
that's all gosh to me - I know nothing
of woman clothes but I believe that you
will be very proud of Billie.

To-nite some of Billie's friends are
coming over to fix your room - See it's
gonna be nice.

I hope to receive the school bill so
that I can send them the money.

also your bulletin I'm anxious to
see -

Loads of love Dad - write soon
to your Dad who loves you

Dad.

Dad - a beautiful crystal prayer bead
would be a nice gift for Billie - ask the
Superior how much it cost - O.K. x.
