a few changes and if  
it is nice weather this  
Sun. He will go up to  
Mrs Grovels again this Sun  
and see what happens.

Dorothy will you please  
write again and let us know  
what is the matter with  
your foot. You never told  
us any thing about it. And  
I do hope it is coming  
along fine.

My mother is in Calif.  
and having a very nice  
time I expect she will be  
there for another month. It  
sure must be beautiful by  
all one hears about that state
