Daddy and I are looking
forward to a very nice summer
with you and we have a great
many nice plans that we all
sure you will like.

Yvonne finished her ^{eighth} ~~seventh~~
grade and we sent her a card

My Mother received the
bag you sent her. She likes it
very much and she thought that
you made it for her makes her
like it twice as much. And
please don't forget to return me
my bag.

Again I hope everything is
fine with you. Thank all the
sisters for having been nice to
you and helping with your
education. Be a nice girl
Love Mother
