please? All the girls have a cake for there birthday, so I will like to have one too. If you can't send it you could have it made here. Last week I told you I already knew what I want It was if I could have my birthstone and a Billfold. So will you please tell me if I could have them.

Saturday we brought our snowpants and skates up in our suitcases because, we won't go skating nor sliding anymore. The skatingrink is half melted. The lake has started to melt so here comes Spring. Day Spring is starting tomorrow. "Hurray!"

I started a novena to Saint Anthony because, last week I happened to lose my beautiful beads
