

This is Mon. well we had
bad weather yesterday so we
did not try out the Pytron
So we will sit tight till
next Sun. We had a very
quiet week-end and I'm
sure it did Dad plenty of
good because he has been
very tired. He works so very
hard.

So I think I'll close
now and hope to hear
all good news from you
soon. Be a good girl
and remember both Dad and
I love you very much
Love mother
