

Well I guess this is all
for now hope time will go faster.
Could you buy me a brown beret
or a black ribbon please?

Say what did the boys down
at the rubber shop say when
you told them what I told you
to say to them. Tell them that I
missed them and I'm anxious
to see them and say the same to
the girls that I know.

Will you say an extra "Hello" to
Don Nadeau, Mrs Patner (whatever
you spell the word) and Charly.
Don't forget.

From your daughter that
loves you more every day.
