This Certifies, that the person whose name and description are given on this permit has registered with the Aeronautics Branch, Department of Commerce, as a Student Pilot, and is hereby authorized to receive instruction on, and to pilot licensed aircraft in solo practice flights, during this course of instruction.

Such solo flights shall be limited to the immediate vicinity of the airport or landing field upon which the instruction is based, and such flights shall not extend beyond a safe gliding distance thereof.

At no time shall persons or property be carried in a licensed aircraft piloted by the holder hereof, except a bona fide instructor assigned by the person or company with whom the student is enrolled.

Your attention is called to Section 47 of the Air Commerce Regulations which prohibits any but licensed Transport Pilots from giving instruction in licensed aircraft for hire.

NOTE.—All provisions of the Air Commerce Regulations are made a part of the terms hereof as though written herein.

This permit must be carried at all times while receiving instruction in or piloting licensed aircraft.
