

Kite Poem
author unknown

You didn't ask

Why

i fly kites

for fun and happiness
- off the flyer *and* the
audience

happiness is an
important element in
my pathway through
life...

shakib takes the 'middle'
path and follows the principle
of *ahimsa* (non violence)...

giving rise to compassion
for *all* sentient beings – may
they all live in happiness
and contentment...

kite flying is a part of
a bigger pattern of life...
