Dear Ms. Snodgrass,

We are putting you down for an exchange subscription for WWI AERO, starting with the enclosed issue. You will find a piece on the 1899 Wright kite in it. Enclosed also is a list of back issues, and you can check for various kite pieces in them.

We would appreciate any mention of WWI AERO in your publication as well.

Very best wishes,

Leonard E. Opdycke

### SHELF CLEARANCE SALE

Any ten original copies of SKYWAYS or WWI AERO  
\$30 + postage

Please list alternate choices in case some are out of stock.

### COMPUTER GRAPHICS PROGRAM GENERATES 3-VIEW DWGS FROM A SINGLE PHOTO

We are offering Frank van Dalen's new program, described in detail in WWI AERO #138, for \$100. Running P3V requires minimally only an MSDOS XT Personal Computer with at least 512K memory. Late-model Macintoshes which are IBM-compatible will work, too.

Package includes both 3.5" and 5.25" discs and a detailed User's Guide; assistance with operating the program will be provided free to duly registered purchasers. Send check or IMO to WWI AERO, 15 Crescent Rd., Poughkeepsie, NY 12601.
